and Security Industries

T3 PATROLLER: **RECONDITIONED SALES PROGRAM**

EV Patrol now offers **factory-Reconditioned T3 Patrollers** that have been retrofitted to current factory standards through the new **Reconditioned T3 Patroller Program** — including new Motor, Motor Control Board, Outer + Inner Body Line-X® coating for extreme durability, as well as new parts like Battery Charger, Battery Cells, Tires, Rider Mat, Front Fender, and refurbished parts like rims. Every **factory-Reconditioned T3 Patroller** comes with a **six-month, unlimited mileage warranty*** and retails for **\$7,500.00 MSRP**.

Factory-Reconditioned T3 Patrollers feature:

- ✓ New **Motor**
- ✓ New **Motor Control Board**
- ✓ New **Outer Body Line-X® coating** (colors include black, white, red, or custom)
- ✓ New **Inner Body black Line-X® coating**
- ✓ New **Battery Charger** (features new, improved connectors)
- ✓ New **Battery Cells** (rated at up to 2,000 cycle charges)
- ✓ New **Rider Mat** (military-grade thick compression mat for a dramatically more comfortable ride)
- ✓ New black **Front Fender** + bracket kit (our virtually indestructible fender coated with Line-X®)
- ✓ New **Front Tire** mounted on a refurbished rim
- ✓ New **Rear Tires** [2] mounted on black refurbished rims
- ✓ New rear **Brake Pads** [2]
- ✓ New primary + secondary **Drive Belts/Pulley Assemblies**
- ✓ New black **Headset**
- ✓ New **Headlight Lens**
- ✓ New black **Body Trim Seal**
- ✓ New black **Side Grab Handles** [2]
- ✓ New black rear **Tail Light Housing** [2]
- ✓ New black front **Emergency Lights Housing**
- ✓ New **Pannier Bag**
- ✓ 6-month, unlimited mileage **Warranty***

T3 Motion's factory-Reconditioned T3 Patrollers are an excellent and cost-effective way to add to existing **T3 Patroller** fleets at a fraction of the cost of a new **T3 Patroller**. Thanks to the **T3 Patroller's** modular subsystems design and functionality, every **T3 Motion factory-Reconditioned T3 Patroller** is systematically overhauled from top-to-bottom with the latest **T3 Motion** technology and parts.

If purchased separately, the Reconditioned T3 Patroller would cost over \$8,500 (not including labor costs and value of warranty). The Reconditioned T3 Patroller excludes Front Shaft and/or Front Fork (contact EV Patrol for pricing).

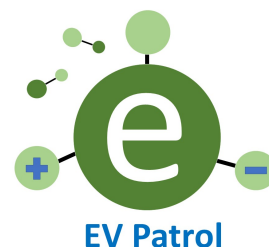

All specifications, features, options, and services are subject to change without notice.

*Warranty terms and conditions are subject to change. Warranty applies to electrical systems and electrical parts only. Warranty becomes effective upon date of completed refurbishment.

BEFORE:

AFTER:

T3 PATROLLER TRADE-IN PROGRAM:

EV Patrol offers our existing customers a **T3 Patroller "Trade-in" Program**. If you have an older **T3 Patroller**, please contact the **EV Patrol Sales Team** for details of our program where you can apply a discount off your purchase of a new **T3 Patroller** by trading in an older **T3 Patroller** model. Call **(703) 999-7119** or email **sales@evpatrol.com** to learn more.

T3 PATROLLER REFURBISHED PROGRAM:

T3 Motion also gives our customers the opportunity to refurbish their older **T3 Patrollers**. If you are interested in learning more about our **T3 Patroller Refurbishment Program** features, warranties, and pricing, please contact the **EV Patrol Sales Team** for details. Call **(703) 999-7119** or email **sales@evpatrol.com** to learn more.
