Width @ Handlebar	31.0 inches

»The T3 Patroller ESV is a stable, three-wheeled platform designed to handle both exterior and interior patrol environments and features reversible rear rims for narrow (34.6") and wide (37.5") stance configurations. Options include 100W P.A., On-board Cameras, ALPR, and External Racks.

»The T3 Patroller comes in three models—Full-suspension (Elite), Front suspension (Premium), and Rigid chassis (Standard). Reverse is standard on the Elite and optional on the Premium + Standard.

»The T3 Patroller is multi-shift capable through the revolutionary T3 Motion interchangeable battery system, allowing for one T3 Patroller to operate 24/7 by just "hot-swapping" the batteries.
